## | About the Database

The DutchCulture Database collects data on Dutch international cultural activities. Our data is based on information from our partners at embassies, funds, cultural organisations, and our own research. While we aim to be as comprehensive as possible, our database is not an exhaustive list of all activities. We would like to thank our partners who help gather and provide information for the database. If you have questions or comments or would like more information please get in touch with us.
